3.5 and 2.5 inch HDD with server mounter frame

2.5 inch SSD

Magnetic tape LTO

Mobile phone

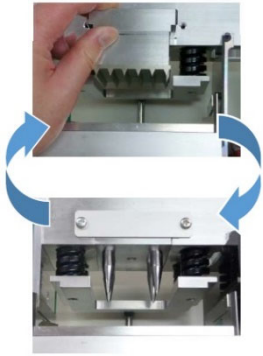

M.2 SSD

USB

Convenient Features of Storage Puncher HDPN-04A

1. HDD/SSD/Magnetic tape destruction tools can be easily replaced with just a plus screwdriver.
2. This device alone can destroy HDDs, SSDs, and magnetic tapes, eliminating the need to purchase multiple devices.
3. Easy replacement of breaking pins, even if they are damaged

Variety of options of Storage Puncher HDPN-04A

1. HDD destructive Tool Set HDDU-03M

Destroys 3.5" and 2.5" platters by 4 holes

2. SSD destructive Tool Set SSDU-03M

Destroys SSDs and flash memory in waves at 5mm intervals

3. Tape destructive Tool Set LTOU-01M

Cutting and destroying LTO and other magnetic tapes

4. M.2 SSD destructive Tool Set MD2U-01M

Crush M.2 SSDs and other memory chips at 3mm intervals

5. Smartphone destructive Tool Set SMTU-01M

Destroy Smartphones

6. Aluminum stable frame HDPN-FRAKIT

Stabilizes and secures the device

7. Transport hard case HDPN-CS2

Easy-to-carry hard case with extendable handles and casters

8. Bits for HDD destruction HDBT-02-2P

2 spare replacement bits

9. Certificate of Destruction Creation Kit PCK-02 Destruction reports with photographs of the destruction work can be created and issued efficiently. The kit includes a dedicated camera, barcode reader, software for creating and printing certificates, and a photo box.

Specification of Storage Puncher Manual HDPN-04A

Models	Body only without options :	HDPN-04A-N	
	Body + HDD destruction tool set :	HDPN-04A-H	
	Body + SSD destruction tool set :	HDPN-04A-S	
	Body + HDD & SSD destruction tool set :	HDPN-04A-HS	
Maximum Load, Consolidation Method	6 tons oil hydraulic system	Weight	12Kgs
Destructive time	15-20 times up and down the handle	Size	W 182 X D 189 X H 281 mm
Number of holes	4pc. 2pcs are possible	How to exchange destruction options	Easy replacement with just a plus screwdriver
Number of up & down	15 to 20 times	Product Warranty	1 year or 50,000 times, whichever comes first
Possible media	3.5", 2.5"HDD, 2.5"SSD, Magnetic tape, USB	Country of Origin	JAPAN
