## HDD/SSD Compact Powerful Physical Destroyer Storage Puncher STPN-30EX-HS

- 12 tons hydraulic power
- Processing time is only 8 seconds
- Compact and lightweight, weighing only 18Kgs(39lb), ideal for on-site work
- Physical destruction of HDDs, SSDs, and magnetic tapes is possible by simply replacing various destruction tools (world's first)
- HDDs with mounter frame can also be destroyed
- If a destruction bit for HDD is worn out or damaged, it can be easily replaced
- Battery operation is possible even where there is no power supply

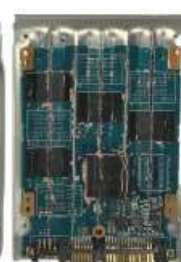

3.5 and 2.5 inch HDD

3.5 and 2.5 inch HDD with mounter frame

2.5 inch SSD

Magnetic tape LTO

Mobile phone

M.2 SSD

USB

## Convenient Features of Storage Puncher STPN-30EP-HS

- 1.HDD/SSD/Magnetic tape destruction tools can be easily replaced at the front of the device.
- 2.The use of trays simplifies positioning and waste disposal.
- 3.Unique feature that prevents the bits from biting into the HDD

## Variety of options of Storage Puncher STPN-30EX-HS

### 1. HDD destruction Tool Set HDDU-04B

Destroys 3.5" and 2.5" platters by 4 holes

### 2. SSD destruction Tool Set SSDU-03B

Destroys SSDs and flash memory in waves at 5mm intervals

### 3. Tape destruction Tool Set LTOU-02B

Cutting and destroying LTO and other magnetic tapes

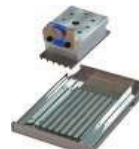

### 4. M.2 destruction Tool Set MD2U-01B

Crush M.2 SSDs and other memory chips at 3mm intervals

### 5. Smartphone destruction Tool Set

SMTU-01B Destroy Smartphones

### 6. Pouch tray set for HDD with mounter MPHTY-01B

Pouch and tray set for destruction of 3.5"/2.5" HDD with mounter

### 7. Transport hard case STPN-CS4

Easy-to-carry hard case with extendable handles and casters

### 8. Bits for HDD destruction HDBT-02-2P

2 spare replacement bits

9. **Certificate of Destruction Creation Kit** PCK-02 Destruction reports with photographs of the destruction work can be created and issued efficiently. The kit includes a dedicated camera, barcode reader, software for creating and printing certificates, and a photo box.

## Specification of Storage Puncher STPN-30EX-HS

|                        |                                                                                                               |                                     |                                |
|------------------------|---------------------------------------------------------------------------------------------------------------|-------------------------------------|--------------------------------|
| Models                 | STPN-30EX-HS Body + HDD & SSD destruction tool set, 4 pcs spare destruction bit, Transport hard case STPN-CS4 |                                     |                                |
